

***Arkansas Revolution Club***  
***Sponsorship Application***

Revolution is preparing for its first soccer season. This soccer program has brought a lot of excitement and cost. Our parents and players put a lot of time and financial means into the program. We are looking to make this program even better but to do that it takes money. The Revolution requires so much of our parents, we are looking for help from our community businesses. Revolution teams would use donations to help offset the cost of tournaments, state league games and associated fees. ARFC also takes a percentage of your donation to put into our scholarship fund. ARFC is looking forward to the challenge of making the soccer program one of the top in the State, but one that we cannot do ourselves. You can help our teams prepare for this challenge by making a tax deductible contribution. If you can help we would greatly appreciate your contribution.

Thank you,

Brian Dooley  
Director of Coaching  
Arkansas Revolution

Below are the Individual team sponsorship options:
